

Directions To GE from Hartsfield Airport:

Take I-85 North to I-75 North. Proceed on I-75 North to Windy Hill Road (Exit 260). Turn right on Windy Hill Road. Proceed one mile towards Powers Ferry Rd. Turn left onto Powers Ferry Rd. At the first stop light, turn right onto Wildwood Parkway. Keep straight and the GE Power Systems – 4200 Building will be the last building on your right. Once you enter the building, sign in at the security desk and give the security guard the name of the person you need to see.
